5:30 PM – 6:30 PM

Panel Discussions

Delve into a series of discussions structured around pivotal topics:

Embracing NEP 2020: Exploration of NEP 2020's implementation, focusing on foundational literacy and curricular flexibility within the unique educational landscape of Hyderabad.

Digital Learning Pathways: Examining the integration of technology within classrooms, facilitating a blend of online and traditional learning methods in response to the evolving digital landscape.

Global Curricular Integration with Local Heritage: Discussing the balance between international curricula and the preservation and integration of Hyderabad's rich cultural legacy.

Skill Development for the Dynamic Job Market: Addressing vocational training and skill development, emphasizing the need to prepare students for the technological advancements and job market expectations in the state and beyond.

Innovations in Inclusive Education: Strategies for making education accessible to all students, ensuring inclusivity and equity within Hyderabad's diverse community.

Mental Health and Well-being in Education: Highlighting the critical importance of mental health services and well-being initiatives within schools and universities, especially in the context of increased academic pressures.

Sustainability and Green Education: Incorporating environmental education and sustainable practices into curricula to foster awareness and action among students and educators alike.

Financial Strategies for School Development: Discussing funding options, financial planning, and strategies for infrastructure development and expansion in educational institutions.

Harnessing AI for the Future of Higher Education: Discover how AI is revolutionizing learning while ensuring academic integrity and quality in higher education.

6:30 PM – 7:00 PM
